

# Happy Birthday Party

## 1st Annual Fundraiser Event For Leon

"In 2015 our brother and friend Leon Talford lost his life for no fault through his own. His sudden passing caused a hole in our lives that will never be filled. With his absence, I knew that I wanted to create a Foundation to memorialize everything that Leon held close to his heart, something that would ensure that his kindness, helpfulness, gentleness and love would live on forever. I created the "**Leon Help Foundation**" with these very ideas in mind. The acronym H-E-L-P stands for Healing, Endurance, Life and Peace. Anyone that knew Leon, knew that he was all these things and more to everyone. The Foundation has the goal of helping youths and students reach their own goals of Higher Education, Trade School and or College. Leon started his love of mechanics at a Trade School and would love to have seen every student or child fulfill his or her dream as well. Please consider donating to this worthy cause. Any donation, big or small will change a child's life.

Please send your check or money order to P.O. Box 2229, Abingdon, Va 24212 or contact me Betty Meade at (276) 791-6631 to learn more about **THE LEON HELP FOUNDATION** and how you can help."
